What's happening in Sandycove Acres?

- **Community Standards-** We thank you all for your continued efforts to ensure your home and surroundings are maintained beautifully.
- **Application to Alter's-** reminders that the homeowner is responsible for ensuring that building permits are obtained depending on the scope of work – do not rely on your contractor to do so
- Building permits must be provided to the office ahead of starting work
- **Shared Network Tower-** North Park- final stages of completion/hydro
- **Special Occasion Permits- SOP's;** If there is alcohol being sold or served to others in any of our community halls- you must have a SOP and it must be submitted to the hall committee and the Parkbridge office prior to the event date.
- www.agco.ca
- You must complete online at least 10 days before event
- BYOB; awaiting AGCO formal clarification which will be communicated
