Happy New Year!

We hope the quieter holiday season has been a chance to rest and relax, and that you were able to connect with loved ones. 2020 was certainly a challenging year, and we are all looking to 2021 with hopes that the COVID situation will improve and we'll be able to get back to many of the things we've missed. All of us here at Parkbridge wish you good health and happiness for the year ahead.

For now, continue following our local regulations and advice from the health unit. We'll keep you updated whenever we have a change to our operating hours and policies.

I would like to take this opportunity as we start with a new year of the following important reminders:

- Official Receipts will be mailed to you by February 1st in time for tax season.
- Property Tax corrections- we will be correcting your monthly tax payment for March 1st. You will receive a letter explaining the correction and what your new rate will be from March to December. Overpayment in January and February will be credited towards your new rate.
- Do we have your correct phone number? Robocall is our phone generated system which alerts you quickly. If we don't have your number, you won't get the message.

Stay safe, stay warm.

Kind Regards,

Mirka Rollason
