Welcome Summer

It has been great to see neighbours out and about, enjoying the warmer weather. Summer is extra sweet this year after the challenges we have all been through!

Community information:

- Please join me in welcoming Stephen Parsons as our Assistant Property Manager to our team as he gets oriented to his role and the community.
- I am back to the office now and please continue to reach out to our reception at sandycove@parkbridge.com so they can direct you appropriately.
- Friendly reminder that your leaf and yard waste should not be moved to our common spaces for pickup. Thank you.
- Bulky Item pickup – contact the office by noon the day before pickup to let us know your up to 3 items to be picked up. No hazardous waste, electronics, items over 44lbs or building materials can be picked up.
- Fencing replacement at both pools will be completed in the fall (after the pools close). It will be a chain link fence and privacy concerns will be addressed.
- Road paving is expected to begin in July and I will send a separate email regarding the roads involved.
- We remain under a current provincial lockdown until we enter Step 1 the week of June 14th. We are working towards opening the pools when we are able to do so. I will update you as we move forward.

Thank you for all your lovely well wishes during my absence. Stay safe, keep smiling and count your blessings daily.

Kind Regards,
Mirka Rollason
