## Celebrate Neighbour week with Parkbridge from August 14-21!

With the many challenges we've faced this year, we appreciate the difference great neighbours can make more than ever. Parkbridge is inviting homeowners, resort guests, and employees to participate in activities across Canada to encourage people to get to know each other and recognize one another for being good neighbours. At Sandycove Acres we are celebrating with a community photo contest. I have attached information about the contest and please note that you can enter the Parkbridge photo contest as well as our own community one. The flyer attached outlines the prizes for Sandycove Acres Community Photo contest. I can't wait to see all your photos!

- **Clubhouses opening update-** After careful review and consideration and in consultation with all committees, The Hub, Spoke and Wheel will remain closed until further notice. Due to the limitations we must adhere too, it is in the best interest of our residents that we put this on hold for now.
- **Woodshop/Libraries-** These are under review for re-opening.
- **Pools-** Please note that the North Pool emergency phone is being re-located to the pool enclosure where it should be. Pool hours will be re-visited to extend in the next two weeks.
- **Storage Agreements-** Please watch out for information coming to all in the mail about the brown storage rentals. All new numbers have been added, so please make note of your new number if you have had one issued to you. Please contact our office to be placed on the list to rent a shed for \$25/mth.

Thank you for all you are doing to keep your community safe. Stay safe, keep smiling and be kind to each other.

Sincerely,  
Mirka Rollason, Property Manager
