Welcome to the New Community Life Newsletter!

I am happy to introduce you to our new Community Life Newsletter which will be a continued source of updates and information on what is happening at Sandycove Acres and Parkbridge. In an effort to minimize our environmental impact, we will be sending this by email in the last week of every month. We will also provide some printed copies in new holders that will be located in the Wheel main, the Hub, the Spoke and at our office.

We would like to thank you for completing our first Resident Survey! Your feedback is important to us, and we will report back on the results soon. We understand that not everyone received an email and are happy that many have contacted us to update our records. We are aware that in some cases, if there were two email addresses listed per home, the survey chose the first email only. We will have this corrected for our next one.

As a result of an incident in the Hub over the holidays, we need further security measures to ensure the safety of our residents and the building. The Hub is now open 8am to 4pm, Monday to Friday. Access after these hours can be arranged with our office. The library is now accessible with the same key, as is the laundry and fitness room door from the parking lot door as needed. The washrooms are not available after 4pm. We appreciate your cooperation and understanding with this change. We will adjust the closing time to reflect the pool hours in the summer accordingly.

I am excited to be planning our first Volunteer Appreciation Luncheon on Thursday April 9th, 2020. You will be invited if you are a current active volunteer and are responsible for the organizing/planning or hold a position of title for your club/group/committee. We will be contacting you shortly to ensure we have not missed anyone. We appreciate all that you do for the Sandycove Acres Community.

I hope you enjoy this first edition and look forward to seeing you all soon!

Sincerely,
Mirka Rollason
Property Manager
