No way June is next week! How did that happen?!

I am running out of interesting things to say now as it seems the topic hasn't changed and I really, really want it too. What I can say is that I continue to be proud of this great community and the people in it. We can get through this, together!

- Our community garden is now open under strict rules and safety protocols. Only residents are permitted in the garden. No outside visitors or family are permitted as we want to keep our residents safe. When that changes, I will advise.
- Pools will remain closed until government restrictions are lifted. Please note that pool times will change to 8am - 8pm daily. Due to health department requirements and testing, we have had to adjust our hours.
- Brown storage sheds- you will notice that these are being re-numbered with a new number system. Everyone who occupies a shed will need to complete a Storage Agreement and provide proof of insurance. You will receive this by mail and I will also provide further details on how to rent one.
- Emergency shelters in the Wheel and Spoke are unfortunately not accessible at this time due to Covid-19 restrictions.
- Bulky item pickup will be on June 18th. Due to office closure, you are required to email or phone us by noon Wed. Jun 17th with a maximum of 3 items that you would like to be picked up. There will not be stickers issued. See items not accepted on left.

Thank you for all you are doing to keep your community safe.

At least we can add sunshine to the list of blessings we have now. Stay safe, keep smiling and be kind to each other.

Sincerely,
Mirka Rollason
Property Manager

Continued from front page

- **Application to Alters:** We are in our busiest season for approvals and we will process them as soon as possible. Please be reminded that you still need approval, before any work begins.
- Approvals will now include a Parkbridge Permit to be posted in a front window when work begins.
- **Yard Waste Acceptable Items:** Leaves, grass, garden waste, straw, cornstalks must be in paper leaf bags for pickup.
- **Clubhouse access:** We have rekeyed the key locks at our buildings and we will communicate this to the committees before we re-open.
- **Waste Collection:** Did you know that you can check your garbage and recycling schedule online? <https://www.simcoe.ca/SolidWasteManagement/Pages/schedules.aspx>
