“If we had no winter, the Spring would not be so pleasant.”

Anne Bradstreet

I heard the robin’s yesterday; I am thinking this is always a good sign!

Welcome to our spring edition and I am pretty sure I am not the only one waiting for it. For those who are receiving our new Community Life Newsletter for the first time, welcome and thank you for your feedback and compliments. They are appreciated.

Our Volunteer Luncheon is moving along nicely and your invitation will be in the mail by the first week in March. You will be invited if you are a current active volunteer and are responsible for the organizing/planning or hold a position of title for your club/group/committee if it was active as of January 1st, 2020. Thank you to those that have helped us generate this list of great volunteers. We appreciate all that you do for the Sandycove Acres community and I look forward to seeing you all there!

Please note that our phone message and options are being updated to reflect our new hours as well as to accommodate your needs better. Did you know that we have an after- hours emergency line? This is to be used if you have any water or sewer related emergencies at Sandycove Acres.

My team and I have been busy planning the year ahead as we prepare for capital work, spring cleanup, events and we all look forward to putting the winter behind us and springing ahead to some warmer weather and lots of sunshine!

See you next week at my coffee chat!

Sincerely,
Mirka Rollason
Property Manager

Continued from front page

- **Application to Alters** – Beat the rush! If you are planning to do any work to the exterior of your home or your home site by the end of May, you will need to complete an Application to Alter this month. Drop by the office or email us for your application.
- **Temporary Enclosures/Barriers** must come down by April 30th. An Application to Alter is required for any visual, exterior work or addition to your home or site.
- **Waste Collection changes** with the County of Simcoe began in February. If you would like a **FREE** Green Organic Bin (on wheels), please drop by the office to pick one up. We have a limited amount and can issue one per household until we run out.
- If you have questions or concerns regarding garbage or recycling pick up please call Service Simcoe at 1-800-263-3199.
- **2020 Capital Projects** will include road paving, sewer work, line painting, signage, bocci ball courts and brown storage shed doors. More details to follow at my coffee chat. Did your street make the worst street in Sandycove Acres?

Let's Stay in Touch

Get on our email list so we can keep you updated with our monthly newsletter and other notices. Send us an email with your address and email below.

Maintenance Updates

- Chair lifts in the Wheel- I regret we are experiencing delays in the replacement of the chair lifts in the Wheel. We have been advised that the current lifts do not meet TSSA (Technical Standards and Safety Authority) Regulations and must be replaced to meet their requirements. We are in the process of obtaining quotes at this time. Stay tuned for further updates. We do apologize for this inconvenience.
- We know that Spring is around the corner and hopefully the snow season is quickly coming to an end. Please let us know if there has been any damage caused by snow clearing operations to your site by no later than April 30th, 2020.
