

FROM THE HOA ON BEHALF OF THE TOWN OF INNISFIL – INNISFIL HELPING HANDS

MAY 2, 2020

The COVID-19 pandemic has seen unprecedented impacts on the daily lives of many residents of Innisfil. Recognizing the challenges that some may be facing, Innisfil Council unanimously approved the creation of the Innisfil Helping Hands Program which will provide small monthly micro-grants (e.g. \$50) to individuals or groups who have been negatively affected by COVID-19 and are now struggling with urgent needs - such as a single-parent needing diapers or formula, or a resident on fixed-income requiring medication.

If you know of any individuals or families who may benefit from this Program, please have them fill out an Innisfil Helping Hands Application Form at

https://innisfil.ca/wp-content/uploads/2020/05/HelpingHands-Application-Form_fillable.pdf

or apply on-line at

More information about the Innisfil Helping Hands can be found on its web site.

The micro-grants will be disbursed by a subcommittee of Council who will review requests from individuals and groups, starting the first week of May and are committed to getting financial support out the door and into the hands of residents in need as quickly as possible.

If you have any questions about the Program please do not hesitate to contact me.

Thank you.
