SANDYCOVE ACRES HOME OWNERS' ASSOCIATION

As a precaution, we are advising that not only do we have icy conditions on the roads and sidewalks, but the area around the Post Boxes are extremely icy. Please be extra vigilant around the post boxes when you go to collect your mail.

Parkbridge has been informed of the incident. As the area around the post boxes is owned by the Post Office, they are responsible to ensure that this area is cleared of snow and ice. A call will be going into them today.
