SANDYCOVE ACRES HOME OWNERS' ASSOCIATION

Tue, Jul 9,
11:44 AM (2
days ago)

The Association just wanted to give you a heads up. One of our Directors, John Mogan, will be going door-to-door talking to homeowners telling them what the Association does on their behalf. He will also be signing up homeowners for membership to the Home Owners' Association, if requested.

Please note that John has Home Owners' Association credentials and will be in his black and whites, which is the unofficial colours when Directors are on HOA duty. His golf cart will bear the name of the Association, he will have Association membership forms, receipt books and membership cards – all that identify him as a Director of the Home Owners' Association.

Do not give your membership to anyone that does not present himself with these credentials. As always, your Association works hard on your behalf. Thank you.
