**WHAT'S COMING NEXT?**

AGIs. Landlord & Tenant Board. Advocacy.

This is where it gets real.

When we stand in front of the Landlord and Tenant Board, one question matters:

“How many people do you represent?” Let's talk numbers...

**542**

That's how many households have not yet joined the HOA.

Not because they don't care —

But because they haven't joined yet.

And that's the opportunity.

The bigger our numbers...

The stronger our voice

The more seriously we are taken

The better we can represent homeowners  
With AGIs ahead and important decisions at the AGM, your membership has  
never mattered more.

### **LET'S BE CLEAR**

Your HOA is:

A structured organization under the Ontario Not-for-Profit Corporations Act  
Working on real issues that impact your home and your wallet

### **STRENGTH IN NUMBERS**

For just \$10 a year, you are:

Protecting your investment  
Supporting legal advocacy  
Backing a Board that represents YOU

THIS IS YOUR COMMUNITY. YOUR VOTE. YOUR VOICE.

Don't sit this one out. **Saturday, June 6 - 10:00 AM – 11:00 AM - HUB  
Card Room**

Join. Show up. Stand strong.
